Roots And Wings: Celebrating the Connectedness of All

"We are all connected to everyone and everything in the universe. Therefore, everything one does as an individual affects the whole. All thoughts, words, images, prayers, blessings, and deeds are listened to by all that is."

- Serge Kahili King

*How connected would you like to be to yourself? To others?
To the world around you? Using experiential activities and
exercises, creative expression, large and small group
settings, and reflection, we invite you to explore with us the
possibility of connection, and celebrate the innate joy and
peace that can come from an understanding of the
relatedness of all things.*

Final Registration Deadline: Completed forms with check must be postmarked by September 21st. Registration is limited to 90.
